

Beyond: Time

Stewardship is part of God's original design for us. (Genesis 2:15)

We are stewards of our time, treasure, talent, and testimony.

How does God call me to steward my time?

1. **Decide what my priorities are.** (Matthew 6:27-28, 33; Psalm 90:12; Ephesians 1:11 MSG)

"If I don't tell my time where to go, others will be happy to do so!"

Be honest about what is really driving me.

2. **Schedule my time based on my priorities, not my to-do list.**
(Ephesians 5:15-16 ESV)

What does God want me to **subtract** from my schedule starting today?

What does God want me to **add** to my schedule starting today?

3. **Fight to stay focused.** (Hebrews 12:1; Philippians 3:13-14)

"I have enough time to do all that God is calling me to do. However, I do not have enough time to do all that God is calling me to do + what others want me to do + what I want to do, and more."

Run the race God has for me!
